Greetings!

YouthWorks Ph, in partnership with Philippine Business for Education (PBed) and United States Agency for International Development, aims to help and provide Free Skills Training and Scholarships to the youth ages 18 to 24 Years old who are not enrolled, not employed and are not under training programs.

Alternative Learning System is of great help to those who were not able to undergo formal schooling through opening opportunities and giving them a bigger chance of having a job after the program. Though the industry offers a great number of jobs, some still lack the necessary skills for them to be hired. Youthworks aims to provide free skills training and diploma courses for the NEET youth.

In line with this, Youthworks PH would like to invite the ALS Students of Ilo-ilo city to partake and take advantage of the opportunity on September 27 Diamond Jubilee Hall Youthworks has prepared a great line up of speakers and interactive booths which will be offering free Work Based Training.

For other concerns, kindly coordinate with our Events Organizer, Edukasyon.ph at 09295806020 (John Rhey) for the confirmation and coordination for the requested matter.

We are positive that this letter would merit your kind approval. Thank you in advance.

Best,

Jovan Cerda
