Re: Invitation to Online Training: REIGNITING THE PASSION TO TEACH

Dear **SDS De Los Reyes**,

Warm greetings from Teach for the Philippines!

Founded in 2012, TFP focuses its efforts on helping the Department of Education (DepEd) make excellent, inclusive, and relevant education accessible to all Filipino children. Through its core programs, the organization develops and supports teachers, and builds a network of partners with a passion for education reform, who can significantly improve student learning outcomes, and spark positive change in school communities across the country.

Recognizing the critical need for supporting the personal growth and professional development of our frontliners in the education sector, the Asian Development Bank, in partnership with Teach for the Philippines, a NEAP-authorized Learning Service Provider, is conducting an online training session, "**Reigniting The Passion To Teach**," on **30 January 2021 at 9:30AM - 12:00NN**. Anchored on the Philippine Professional Standards for Teachers, this half-day interactive training session aims to help teachers reconnect with their "why", their strengths, and their hopes for the Filipino students as we forge on this school year in the new normal.

It is in this spirit that we would like to extend an invitation to DepEd teachers under DepEd Iloilo City who might be interested in this capacity building initiative. We have allocated a total of seventy (70) slots for the training. We hope this is something that you will be keen to share with teachers in your division. Interested teachers may register at bit.ly/TFP-teachertraining2021 to sign up.
